

The Rotterdam/Cruise Hotel Room Reservation for 15th ECSLA Cold Chain Logistics Program

Steamship The Rotterdam is an historic vessel, built in the 1950s for transatlantic services between Rotterdam and New York. After plane travel started becoming more popular, the ship was refitted and became a very popular cruise ship, which it remained until 2000. In 2008, she returned to the city of Rotterdam where she now serves as a conference center and hotel with over 250 rooms.
